2.1 Delete the group Testing_02 and again try to create it we are getting error

Step 1: Delete the group Testing_02

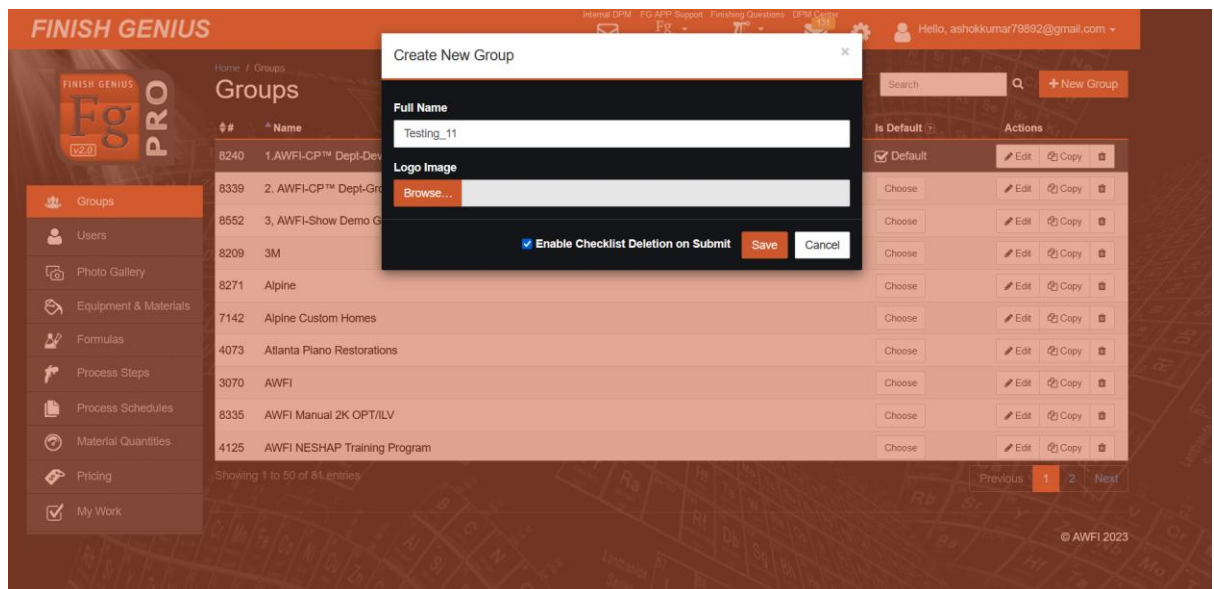

Step 2: Again, create the new group with the Name Testing_02

We are getting error: Duplicate Group Name and we need to refresh whole screen

3. Create New Group without Logo with Enable checklist deletion on submit checkbox enabled

Result: It show group created pop up message but when we search the group we don't find it in the list
