

Testing Steps for Dev Environment

10. My Work

1. My Work: In My Work we can we can execute the schedule we created in Process Schedule

The screenshot shows the 'My Work' section of the FINISH GENIUS PRO application. The interface includes a sidebar with navigation options like Groups, Users, Photo Gallery, Equipment & Materials, Formulas, Process Steps, Process Schedules, Material Quantities, Pricing, and My Work. The main content area displays a table of process schedules under the 'My Work Progress' tab. The table has columns for Order #, Group, Username, Date/Time, Process Schedule Name, and Actions. Two entries are visible, both for 'Testing_15' and 'A_Process_Schedule_Testing_01 (#101)'. A 'Start Process' button is visible next to the first entry.

Order #	Group	Username	Date/Time	Process Schedule Name	Actions
27346	Testing_15	ashokagent110	9/16/2023 3:12 PM	A_Process_Schedule_Testing_01 (#101)	Resume Stop Delete
27345	Testing_15	ashokagent110	9/16/2023 3:12 PM	A_Process_Schedule_Testing_01 (#101)	Resume Stop Delete

Step-1 Search the schedule you wish to execute and click on Start Process

2. My Work Management You can click on Red Box on left hand side and it will automatically display date and time when you clicked it. In this way you can monitor and keep track of your process and also execute steps from My Work

The screenshot displays the FINISH GENIUS web application interface. The top navigation bar is orange and contains the logo, user profile, and various icons. The main content area is titled "A_Process_Schedule_Testing_01 (#101)" and features a sidebar on the left with a red box. The sidebar contains a list of items, with the first item highlighted in red. The main content area displays a checklist for "Standard Checks for this Machine to insure proper operation." with the following items:

- 9021
- 1st Belt. Mic Belt and confirm size/grit
Hermies Wide Belt 43" X 75" 100 grit.151393-003
- 2nd Belt. Mic Belt and confirm size/grit
Hermies Wide Belt 43" x 75" 120 grit.151393-004
- Confirm Micrometer is set correctly for Thickness
0.4mm Mil's/Thou."
- Osculation Set-Up
Yes

The bottom of the screen shows a Windows taskbar with various application icons and a search bar.

Conclusion

1. We are able to execute newly created schedule
